

Rocky Corner

homes@rockycorner.org

Cohousing basics

- Private home
- Common house and other shared facilities
- Access to 33 acre property
- Pedestrian center
- Management and maintenance by the residents
- Egalitarian governance model, with equal access to power in decision-making

Rocky Corner amenities

- 4,500 sq. ft. common house with commercial kitchen, workshop, lounge with large, handbuilt masonry stove, multipurpose rooms
- Nearby parking for one vehicle, additional parking for a second vehicle
- Community garden with individual allotments
- Ponds, rain gardens, and other permaculture features that we'll develop over time
- Opportunity to participate in organic farm, including your own farm enterprise if you're interested

Energy-saving features

- Energy Star rated home
- Insulated slab-on-grade with shallow frost wall
- Tight envelope with insulation that exceeds code requirements
- Double-glazed windows
- Large south-facing windows to allow solar gain in winter, shaded in summer
- Efficient air-sourced heat pump to provide ductless heating and cooling
- Skylights and LED fixtures minimize energy consumption for lighting
- Solar-ready roof
- Optional masonry stove for efficient wood heat

Two-bedroom "B" model

1,080 sq. feet (base design)

Household income level (affordable applicants)

- Less than 60% of area median income
- 60%–80% of area median income
- 80%–100% of area median income

Base Price

- \$148,000
- \$166,000
- \$280,000

Market rate

\$439,000

Available Options

	Code	Price

First floor study (in lieu of one bedroom)	ST	\$771
Additional first floor half bath	WC	\$7,185

* Availability depends on location of home.

Notes

- Base price includes standard materials, cabinets, fixtures and finishes. Buyer may elect upgrades offered by the builder or may supply certain items instead of seller's supplying them. Some restrictions apply.
- Buyer is responsible for furnishing Energy Star rated appliances, but buyers may elect to cooperate on bulk purchases. No gas appliances are permitted inside the home.
- Number of bedrooms is fixed (one or two, depending on specific home) and cannot be increased by the addition of options.
- See reverse for floor plan and dimensions. Plan may be reversed left-to-right, depending on location of home on the site.

Disclaimer

Buildings and improvements shown NEED NOT BE BUILT. This descriptive brochure is not an offer to sell a home. Please refer to the public offering statement.

Accessibility and aging in place

Universal design principles are applied throughout:

- Homes and common house have grade-level entrances
- Paths are laid out with wheelchair-friendly slopes
- Doorways and room layouts accommodate wheelchairs
- Stairs can accommodate a chair lift
- All homes have a bedroom and a bath with a roll-in shower and laundry hookups on first floor
- Bath has blocking to accommodate grab bars

EQUAL HOUSING OPPORTUNITY
